Directions:

1. Determine household size; including parents/caretakers and children.
2. Read across from family size to find total gross monthly family income.
3. Match the boxes above and below to determine programs for which a family is eligible.
4. For all Step Ahead, families must live within the Seattle city limits.
5. Part day ECEAP, HS & Step Ahead have no parent/caretaker work requirements and are free for eligible families.
6. For full day programs, parents/caretakers must work or be in an approved training program and must pay part of the cost of care depending upon income.
7. Families enrolled in Working Connections Child Care are eligible for Head Start up to 200% of FPL.
